Not for distribution to United States newswire services or for dissemination in the United States

**TORONTO, ONTARIO – March 20, 2024 – Americas Gold and Silver Corporation (TSX: USA, NYSE American: USAS)** (the “Company”) is pleased to announce that it has entered into an agreement with Eight Capital, pursuant to which the Eight Capital has agreed to act as agent, on a “best efforts” basis, in connection with a private placement of up to 21,667,000 units of the Company (the “Units”) at a price of C\$0.30 per Unit (the “Issue Price”) for gross proceeds of up to C\$6,500,100 (the “Offering”).

Each Unit will be comprised of one common share of the Company (each, a “Common Share”) and one common share purchase warrant of the Company (a “Warrant”). Each Warrant will entitle the holder thereof to purchase one common share of the Company (each, a “Warrant Share”) at an exercise price of C\$0.40 per Warrant Share for a period of 36 months following the closing of the Offering.

The net proceeds of the Offering will be used for working capital requirements at the Company’s Cosalá Operations and Galena Complex, in order to transition to additional silver-copper ore production at the Company’s operations in the U.S. and Mexico, and for general and administrative purposes.

The Offering is expected to close on or about March 27, 2024, or such other date as the Company and Eight Capital may agree and is subject to certain conditions including, but not limited to, the receipt of all necessary regulatory and other approvals including the conditional listing approval of the Toronto Stock Exchange and the NYSE American Market.

Subject to compliance with applicable regulatory requirements and in accordance with National Instrument 45-106 – *Prospectus Exemptions* (“NI 45-106”), the Units will be offered for sale to purchasers resident in Canada and/or other qualifying jurisdictions pursuant to the listed issuer financing exemption under Part 5A of NI 45-106 (the “Listed Issuer Financing Exemption”). Because the Offering is being completed pursuant to the Listed Issuer Financing Exemption, the securities issued to Canadian resident subscribers in the Offering will not be subject to a hold period pursuant to applicable Canadian securities laws.
